Dear parents and carers,

The children are settling in nicely, ready for a fantastic new year of fun learning. What better time to tell you about our reading incentive, known as the Golden Ticket drive. At Lowfield School we promote a love of reading! Children who read regularly are often good writers so we encourage children to read quality books as often as they can, or have books read to them by adults (books before bedtime are always a hit!).

Please could you set aside a little time, one or more times a week, to hear your child read at home? This could be a book from their classroom (a Reading for Pleasure book) or a phonics book/sheet that your child has brought home from their phonics lesson at school.

Everybody has been given a reading record. Please sign and make a short note in this, every time you listen to your child read. The note could be about something they enjoyed, found tricky or were good at.

Only one read per day is to be logged in your child's reading record please. During school holidays, one read per day would also be allowed (except the summer holidays). We check reading records every week and once your child has read 35 times, they will be given a golden ticket which they can then swap for a free book!

We look forward to giving out lots of free books this year!

Many thanks

Saima Rafiq

Reading for Pleasure lead and Year1 teacher
