

## Lowfield Primary School – Sports Premium Spending Plan 2017-2018

**Funding received:     £19,210**

Having developed Mr Goddard from a Sports Apprentice into a sports TA over the last two academic years, we are using this year’s funding to continue his employment in the school in the role of specialist sports TA. In this role, Mr Goddard will work closely with our P.E leader (Mr Cotton) to ensure that P.E and sport participation and attainment at Lowfield is developed in a sustainable way, as evidenced below.

Development	Planned focus and effect	Sustainability	Review
Strategic CPD and support for teaching staff throughout the year.	Mr Cotton to co-ordinate the deployment of Mr Goddard in P.E lessons each half term in order to provide support / team teaching and CPD for teaching staff in areas they are less confident and experienced in.	All teaching staff in the school receive quality support and training in P.E lessons. Staff are able to utilise training with support from Mr Goddard.	
A wider range of extra-curricular clubs and activities to be provided for pupils.	Whole school club plan to be developed / delivered to provide wide ranging opportunities at lunchtime and after-school for KS1/KS2 pupils	Clubs will additionally be staffed by wider school staff to provide CPD and prevent the need for employment of sports coaches and organisations.	
Increased participation at sporting competitions by pupils.	A year-round calendar of School Games events at Level 1 and 2, allowing all pupils in the school to participate in competitive sport.	Pupils to be charged small amounts for transport costs. Wider school staff to accompany P.E team to events for CPD / possible future attendance.	
Raised profile of P.E and school sport	Mr Cotton and Mr Goddard to use social media (Twitter) and whole school text messaging to inform the school community of events and achievements in P.E and sport	Free or minimal cost of promotion / communication other than the time involved for the P.E team to plan and upload content	
Non-competitive activities to be provided for less active pupils.	Mr Goddard to deliver termly Change4Life club from Y1-6, targeting less active pupils Mr Goddard to support / deliver active lessons / lunchtime dance and GoNoodle breaks to engage pupils in further non-competitive sport	All staff to benefit from approaches and CPD during active lessons. Wider use of GoNoodle (free site) and lunchtime staff engaged in garden dance activities
